

About Us

Boson Packaging & Mexon Displaays proudly embarks upon the business of Jewellery Display & packaging after a flourishing spell of jewellery Display & boxes manufacturing in India for three decades. It's a delight that our services have fanned out across borders i.e. USA, Canada, Australia UAE, Singapore, Malaysia and New Zealand etc.. and have been met with effusive support. We work indefatigably with a rather fastidious eye to details in order to bring out exquisite jewellery display & packaging boxes without compromising on the quality. Our manufacturing unit is fully equipped with latest machineries with qualified and experienced work force, Design team, Marketing team and quality check department.

Our effort has paid off, as customers have placed their immense trust in our fine craftsmanship. We are sincerely pledged to catering the interest of our customers by offering the option of customization of jewellery display & packaging. With a mission to bring you the best, we provide our customers with products that are impeccably designed. Moreover, we can always assure you of the quality for the display & packaging as much as of its aesthetics. We believe in sustainable packaging solution to ensure a healthy environment and to reduce ecological footprint. To take care of your queries we have a dedicated online support team available from 9:00 am to 6:00 pm for order related issues and grievance redressal purposes. We mainly deal in, but are not limited to jewellery window display, counter displays, mannequins, display trays, jewellery boxes, stock boxes, food boxes, gift boxes etc. We care about your time. No sooner we receive your orders then we set about making them aiming for an expeditious delivery. The delicate design of our display & packaging only reflects our tender reception of your particular needs.

A few words may suffice to tell the little that remains. You trust us with our products, we believe in keeping them safe..

We wrap with love!
